

WARRANTY POLICY 2011 | 2012

All Slant skis are warranted for two years from the date of purchase against manufacturer defects. The warranty applies to the original purchaser only. If you think your ski is defective, email Slant at warranty@slantskis.com and describe your problem. It is best to include a picture of the defective area.

Alteration of the ski will void warranty. Ship products freight prepaid and insured. Slant assumes no responsibility for products during shipment from the customer to our Warranty Department. Shipping charges are not refundable. Slant Skis only responsibility shall be limited to repair or replacement of the defective product. Slant will not be responsible for any costs, losses or damages incurred as a result of loss or use of product. If product is received without return authorization or if product is deemed un-warrantable, cost of shipping to return product to customer will be the responsibility of the customer.

This warranty is subject to the following limitations:

- Skis mounted more than once. Only one set of drilled screw holes is allowable. More than one recognizable mount and/or filling holes and re-mounting the ski voids this Warranty.
- Damage caused by misuse, abuse or neglect.
- Impact damage caused by rocks, trees, parking lots, rails or any other contact with a surface different than snow.
- Scratches, chips and indentations in top sheets or base.
- Damage caused by improper mounting or adjustment of the bindings, including bindings pulling out of the ski. If your mount is done improperly or the wrong size bit is used to drill the holes – both the width and depth of the mounting holes – then the warranty is void.
- Graphic fading or discoloring, if due to misuse or neglect.
- Damage caused from chairlift breakage.
- Normal wear and tear.
- Damage caused by anything other than defects in material or workmanship.
- Damage caused by use of solvents and adhesives.
- Any and all claims for consequential or incidental damages.

With all that being said, if you have a problem with your skis or are less than happy with them for any reason, please contact us.

Slant Skis 2012, all terms subject to change.
